

Let's work as one team to end cancer as we know it, for everyone.

The American Cancer Society's sports fundraising program empowers athletes of all ages to make a difference in the fight against cancer by raising funds to support critical research, patient services, and advocacy programs. Additionally, our Officials vs. Cancer program offers sports officials an opportunity to join the fight by fundraising through their officiating activities. Choose your sport and pick a game! Visit cancer.org/ACSsports or email ACSsports@cancer.org for more information or to sign up your team.

Participating is as easy as 1, 2, 3!
