"Kids inspiring and helping kids"

About Little Saint Nick Foundation

Little Saint Nick Foundation (LSNF), a registered 501C3 non-profit organization, has the mission of "Kids Inspiring and Helping Kids". This mission is to not only help kids and families in need who are in hospitals, but to inspire young people to give back to those kids in need. LSNF has developed many anxiety relief programs all centered upon improving the lives of sick kids and their families.

Working Together

LSNF strives to partner with businesses and youth groups to give back to kids in hospitals within a local community. We have multiple options for organizations to help others all year long such as:

- Hosting a Campaign Fundraiser to Raise Money for Our Gift Bag Items
- Hosting a Drive to Collect Items for Our Gift Bags
- Making Get Well Cards to go in Our Gift Bags
- Packing Our Gift Bags with the Funds Raised/Items Collected
- Any Combination of the Above Options
