

## Matching Gifts Information

Many companies offer matching gift programs, in which the company will match an employee's contribution to the charitable organization. There may be a minimum or maximum limit and it may not be a 100% match. This means you can increase your personal fundraising goal to help support the cause.

1. First inquire if your company has a matching gift program. If they do, request a matching gift application from your Personnel or Human Resources Department. Matching policies may vary from company to company so be sure to read the program rules.
2. Complete the application and mail it to:  
W20 Foundation  
Attn: Matching Gifts  
PO Box 310  
Westhampton Beach, NY 11978
3. Upon receipt of the application, we will complete the process. Your employer will send the matching contribution to the W20 Foundation.
